

Champions in the pool.

Champions in life.

Welcome Back Age Group Swimmers

We are super excited to start the season tomorrow, and we have been working hard over the last two weeks to ensure that we have our best foot forward going into the new season. We have heard your feedback and are excited to announce a few group and group schedule changes.

Maegen and Blake will be co-lead coaches for the Junior Royals 4s and 3s, a combined group that functions in the same format that was so successful over the summer. The new assistant coach (and SSC Alum), Abby Harter, has just finished her swimming career and graduated from Purdue and is returning to help the Junior 3 and 4 groups in the mornings!

We welcome Crystal Schmollinger as an assistant coach for the Future Royal 3 group. Crystal is returning from a couple-year hiatus to work with our 10 & Under program; before her departure (due to growing her family), these were the kids she was working with! Her expertise is creating relationships with the kids, pushing skills, and learning to motivate them through positive reinforcement/feedback. We are so excited to have Crystal back as a coach in our Future Royal program.

As the Head Age Group Coach, Blake will be involved in all Junior and Future Royals groups. He will focus on practice structure, common language, dryland program, and skill development to bring cohesiveness throughout all groups.

We would also like to invite all age group parents and swimmers to our Kick-Off meeting on September 9th at 7:30 p.m. in the large group instruction classroom at HSE. The LGI is located just West of the main competition gym; we will have coaches lined up in the hallways to help direct you to the classroom.

Blake Brewer
Head Age Group Coach

Maegen Fleck
Associate Head Age Group Coach

"Progress lies not in enhancing what is, but in advancing toward what will be."
Khalil Gibran
